SPRINT REVIEW

Sprint Goals	Status
Learn and apply HTML, CSS, and JS	Done
HOMEPAGE	Done
SHOP PAGE	Done
CART PAGE	Done
CHECKOUT PAGE	Done

SPRINT RETROSPECTIVE

Question	Answer
What worked well?	Learning HTML and CSS are somehow easy since I have encountered them before
What caused problems?	Continuous revisions Motivation to do work regressed JS is hard to understand
What could be done for the next sprint to avoid these problems?	Have an end goal to avoid continuous revisions Avoid negative thoughts and focus on the end goal Avoid taking long breaks
